

Shore Newz

March 2011

Welcome to another year of Rhythmic Gymnastics. This will be a particularly busy few months with all the competitions being about 2 months earlier this year. We are well under way with our programs and I would like to welcome all new members and also welcome back our gymnasts returning from last year.

Our committee will be holding their annual general meeting 27 April. We would welcome any new members who wish to join us in keeping our club running smoothly. We have short meetings once a month and do need all parents on board to help make decisions to benefit our gymnasts.

Our Shore Champs Competition is 21-22 May and we are well into the planning stages. If you have any ideas for sponsorship please let us know. Maybe your workplace would be willing to sponsor us. We will be looking for lots of volunteers so please keep this weekend free.

My final thoughts are with all our families, friends and acquaintances' in Christchurch. I am sure everyone will join me in wishing them hope, strength and safety over this devastating period. As far as I know all our rhythmic friends are safe and well. Have a fantastic year.

Pauline Jack

Chairperson
Shore Rhythmic Gymnastics Club

Willy Wonka's Chocolate Factory Display

The end of 2010 was extremely busy with all of our athletes working on display items for Willy Wonka's Chocolate Factory Rhythmic Gymnastics Extravaganza. This display was the combined effort of the three rhythmic gymnastics clubs on the North Shore; Shore Rhythmic Gymnastics Club, Topaz Rhythmic Gymnastics Club and North Harbour Gymnastics.

A number of the main characters were played by senior gymnasts from our club: Ella Bedford played Veruca Salt, Katrina Martin played Charlie Bucket, Claire Wiggin played Grandpa and Ruth Lin played Willy Wonka. Congratulations to everyone who took part in this display you all worked very hard and it paid off on the day.

"Lollipop"

"I Want Candy"

"The Senior Gymnasts"

Prize Giving 2010

Congratulations

To Claire Wiggin for completing the "Starting out in Coaching" and "Recreation Coaching" courses.

&

To Michelle Martin for completing the Level 2B judging course.

Santa Parade

Last year we had gymnasts take part in both the Birkenhead Santa Parade and the Farmers Santa Parade. We had an especially good turnout for Birkenhead Parade and they got a great response from the crowd. Congratulations to everyone who took part for a great performance, it's not easy doing gymnastics on the hot road and with so many people watching.

Birthday Notices

January:	13 th Pania Matthews 15 th Ella Bedford 27 th Samari McCall 29 th Amberley Tancock
