

HERITAGE WEEK REPORT

Many thanks to Judith, Warren, Kerry, Michelle & Katrina for mat transport.

Thanks to Pauline for helping out on her non coaching day.

Thanks to all the gymnasts you worked hard & looked great and it gave Pauline & I an insight in what we have to work on.

Lastly thanks to the parents who joined us it was good to see you their.

It must be a very hard task to organize **ALL** activities on the shore so I hesitate to be very critical.

I heard about it late in the piece but thought it a good idea to promote our sport and once registered we did get a lot of communication.

Next year it would be best to have it back at Birkenhead College & make each training session open to the public and use the week to run music –it is less disruptive to our programme AND we do not have to move the mats. Also it is where we operate from so better advertising.

It did make me do up some boards and the students at Birkenhead Primary pour over them every day and love them!
